Nancy Chippendale's Dance Studios prides itself on providing a safe, positive, and warm environment for dancers of all ages and abilities. Each family who attends our studio is part of our larger community we call "CHIPPS Nation." We welcome dancers of all ability levels who would like to learn the art of dance and develop a passion for the performing arts. Dance education is a medium through which our students learn self-confidence, dedication, work ethic, responsibility, and accountability.

Whether our dancers participate on a recreational level, plan to pursue a career in dance or anything in between, we aim to be a positive influence in their lives from the stages of tiny, wobbling toddlers through mature young adults. The diverse group of families enrolled at Nancy Chippendale's contributes to the wealth of culture and spirit that define CHIPPS Nation!

SECTION B: FACULTY & STAFF

It is with pleasure that we welcome our faculty for the upcoming dance season. Our faculty consists of enthusiastic and dedicated dance educators who are highly trained and passionate about spreading their wealth of dance knowledge to students of all ages and abilities. Faculty members have been trained on the collegiate level and continue their dance education through certifications, professional programs, master classes, conventions and intensives. Most faculty members of Nancy Chippendale's Dance Studios are alumni who began dancing with Nancy at age three and made a home and career for themselves here. Dance education is their main priority at the studio and all of our faculty members strive to be leaders in the newest dance trends. Performance and training credits include: IDO World Championships, Walt Disney World and other theme parks, Radio City Rockettes, NFL & NBA dancers, Acrobatics Arts Certification, American Ballet Theatre (ABT) Certified, Edge Performing Arts Center Scholars, various college dance teams and more! Please visit our website www.NancyChippendales.com for biographies of each faculty member.

SECTION C: PROGRAM INTRODUCTION

Welcome to Nancy Chippendale's Dance Studios! Our faculty is looking forward to dancing with you this season and would like to take this opportunity to communicate what is expected of each dancer and what you can strive to accomplish this year. While it would be impossible to include every topic in this handbook, or to foresee every circumstance that may arise, this Dancer Handbook addresses most of the matters of concern. Parents and students are expected to read this Dancer Handbook in its entirety and direct all questions to our office staff via email. (Please reference the studio contact information located on page (2) of this document for the appropriate location's email address). Nancy Chippendale and the Executive Directors reserve the right to amend this Handbook at anytime. Parents will be given prompt notification

SECTION D: COMPETITION TEAM COMMITMENT

Competition Team Commitment: All Competitive Dancers must participate, train and perform in ballet, jazz, tap (and hip hop when included in the ballet, jazz and tap combo class) at Nancy Chippendale's Dance Studios. Once classes start, dancers are expected to attend all classes and rehearsals. All blocking / staging / extra rehearsals are mandatory. Dancers must attend the last class before a performance, competition or recital or risk forfeiting their place in that piece of choreography. Dancers must participate in the three (3) scheduled regional competitions and perform in all scheduled recitals, regardless of proms, school dances, etc. If a dancer misses a mandatory rehearsal, performance or competition, he/she will not be eligible to audition for the Competitive Program for the following dance season. Dancers must be taking ballet, jazz and tap classes regularly in order to compete; i.e. if participating in Nationals, dancers must also take ballet, jazz, tap, hip hop and any other applicable classes during the month of June. Sole discretion goes to the Director.

Recital Commitment: Each dancer will perform his/her competition/recital choreography in the Nancy Chippendale's Dance Studios recital. This year's show will take place at the Collins Center for Performing Arts at Andover High School and is tentatively scheduled for May. You will receive your *Recital Playbook*, which outlines the whole recital process, in March.

Attendance / Absences: Your child's attendance in class is very important to his/her classmates and to our teaching faculty. Dancers are granted six (6) absences per dance style. Dancers who miss more than six (6) classes in each subject will be taken out of the choreography. If poor attendance impedes the class progress at any point, an alternate will replace the dancer(s). Dancers may not miss the last class/rehearsal before a performance or competition.

Dance is a "team sport" and the whole team suffers due to absences. Creating a dance involves numerous patterns, pictures, formations and lifts, all working together to portray a story line. A dance is choreographed with a certain visual effect for the audience. When even one dancer is missing, this specific visual effect is distorted. This agreement solidifies each dancer's commitment to the Competition Team and by taking a place on the team, the dancer and his/her family understands the commitment involved is not only to the studio but to the rest of the dancers in the choreography. Absent / Tardy / Early Dismissal Notifications may be submitted through our website via the "Report Absence" page.

NANCY CHIPPENDALE'S DANCE STUDIOS

24/25 DANCER HANDBOOK: COMPETITIVE PROGRAM

Withdrawal/Cancellation Policy: If a Competition Team member withdraws from Nancy Chippendale's Dance Studios anytime between September through May, the dancer will be charged \$500.00 to pay for the faculty to re-stage the dance, teach replacements and cover any other additional costs that may incur on Nancy Chippendale's Dance Studios and the members of the Competition Team. The dancer may not perform, without permission, any of the choreography owned by Nancy Chippendale's Dance Studios after leaving the studio. The dancer also forfeits his/her costumes and all other payments and deposits made prior to the date of termination.

If a dancer must cancel participation due to injury, sit out or return from an injury, Nancy Chippendale's Dance Studios requires a doctor's note. If a dancer leaves Nancy Chippendale's Dance Studios to compete at another studio, his/her siblings will be asked to unenroll from Nancy Chippendale's Dance Studios, as family members are not allowed to dance at different dance studios.

No Re-Enrollment Policy: Members of the Competition Team will not be allowed back onto the Nancy Chippendale's Dance Studios Competition Team if they have previously left and gone to another studio. These students are welcome to re-enroll in our Recreational Recital Program. Acceptance will be on a case-by-case basis. All final decisions are at the discretion of the studio director.

SECTION E: PLACEMENT & SCHEDULING

Placement & Scheduling: Once admitted into a specific class, dancers will remain in that class until the end of the season unless the teacher or choreographer feels it is in the dancer's best interest to be moved. Please keep in mind that students are placed in competitive dance classes based on age and ability. Schedule changes are disruptive to the classroom. Placement within a specific piece of choreography, formation, featured roles, etc. is the decision of the choreographer. If a parent or dancer requests or demands specific placement in a certain class or within the choreography, then the dancer will be removed from that piece of choreography and charged \$500.00 to re-choreograph the routine.

Schedule Change Policy: Schedule changes within our Competitive Program will only be granted on a case-by-case basis and cannot be guaranteed. Dancers who have a scheduling conflict will be offered an equal or lower level class, and only if space permits. Please email CompTeam@NancyChippendales.com if your dancer has an unavoidable conflict.

Important Dates: For a calendar of important dates throughout the season, please visit the "CALENDAR" page under the "MY CHIPPS NATION" tab on our website.

SECTION F: TUITION & FEES

Tuition: Annual tuition is paid in nine (9) equal monthly installments from September through May and is based on the total number of hours danced per week. Accounts must be current in order to participate in competitions and the recital. Tuition amounts remain the same each month, even though some months hold more or fewer classes than others. Missed classes due to illness or injury are subject to payment and there are no refunds or make up classes. We do not offer siblings discounts.

Team Dues: In addition to your monthly tuition, there is an annual, non-refundable \$150 payment due at the time of registration. This fee covers the costs of administrative work, extra rehearsals, blocking rehearsal space rental, pep rally, etc. If a dancer is not selected for the Competition Team, the \$150 may be applied towards tuition if the dancer is continuing at Nancy Chippendale's Dance Studios. If your dancer is selected for the team but decides not to participate for any reason, you will forfeit the \$150 Team Dues payment. Team Dues are non-refundable, non-transferable and have no cash value.

Competition Fees: Competitions charge entry fees per dancer and per routine. Entry fees are approximately \$60 per dancer and per routine. Therefore, if your child competes with (2) routines at (\$60) each at (3) regional competitions, your regional entry fees will be approximately \$360. Non-refundable Entry Fees will be automatically charged to your credit card on file during the months of December, January, and February. The regional competition schedule, automatic billing dates and entry fee rates will be published in early Fall.

Statement Fee: There is a \$25.00 administrative fee for any account statement requests for the purposes of taxes, court documents, health insurance, etc.
